2nd Annual Rick Fruh Golf Tournament Benefiting Zack Collie

Friday November 19, 2010

GOLF CLUB

Placentia, CA

The entire Fruh family is excited about the 2nd Annual Rick Fruh Golf Tournament. We are looking forward to seeing all of you there. This tournament is very special to us as it helps raise money for families in crisis as it did for us when Rick was battling cancer.

Kaylie, Jake and I look forward to this annual event as it helps keep Rick's memory alive. We are touched by all the stories shared about Rick, which brings laughter and tears to our day. Our desire is for this year's tournament to be even more successful than last!

Blessings to All,
Kathy, Kaylie and Jacob Fruh

Zack's Story

On May 31, 2010, Memorial Day, Zack sustained a life-changing injury. While diving into the surf at Newport Beach, he broke his neck at the 4th vertebrae and damaged his spinal cord. He was immediately paralyzed, fully conscious, and floating face down in the surf. Fortunately for Zack, his friend Travis was close by, turned him over and got him back to the sand, saving his life. He was taken to CHOC Hospital in Orange for a six-hour operation and 12 day stay.

Zack was transported to Casa Colina Inpatient Rehab in Pomona. He spent six weeks learning life skills that will help him cope with his disability while he progresses in his recovery. Presently he has some movement in his forearms, but is paralyzed from his chest down.

Zack has returned home and entered an out-patient physical therapy program at Project Walk in Carlsbad. Project Walk is an intensive exercise-based recovery program designed to stimulate the nervous system.

Please help us relieve some of the financial burden that has been placed on the Collies so that they can concentrate on helping Zack recover.

Mission Statement

We are committed to provide financial support for families stricken by serious illness or injury, by raising money within the community so that we all can make a difference. Together we will work to help those individuals and their loved ones who are entrenched in the battle of all battles.
